

Paper Bag Making Workshop

To support the environment protection initiative of Maharashtra government the institute organized a paper bag making workshop for the students on Thursday, 6th September 2018. A team from Institute of Management from Kolhapur comprising Prof. Vaibhava Desai and 6 students were invited to teach students the techniques of making durable paper bags. Director Dr. Nitin Nayak welcomed the team and pledged the resolve of environment protection. Students of BBA and BCA were part of the workshop. Dr. Suvarna Patil coordinated the event.
